In the box:
- Bluetooth Headphones
- User Guide

Charging the Bluetooth Headphones:
1. Connect the small end of the Micro USB cable to the charging port of the headphones.
2. Connect the large end of the Micro USB cable to your computer's USB port.
3. The LED indicator light turns RED when charging.
4. When fully charged, the indicator light turns BLUE.

Pairing the headphones with a Bluetooth enabled device:
1. Long press the \[ ( \) button for 5 seconds to turn the headphones ON and enter pairing mode.
2. A voice saying "Pairing" will be heard, indicating that the headphones are in pairing mode. The LED indicator light will alternately blink RED and BLUE.
3. Keep the headphones and Bluetooth enabled device within 3 feet of each other during the pairing process.
4. Set your mobile phone or other Bluetooth enabled device to search for Bluetooth devices.

On a Blackberry:
- Go to SETTINGS > OPTIONS > BLUETOOTH > Enable Bluetooth (Make sure Bluetooth is turned ON)

On an Android Phone:
- Go to SETTINGS > BLUETOOTH > Search for devices (Make sure Bluetooth is turned ON)

On an iPhone:
- Go to SETTINGS > BLUETOOTH > Enable Bluetooth (Make sure Bluetooth is turned ON)

Using your Bluetooth headphones:
- Powering ON/OFF: To power ON, press the \[ ( \) button until you hear a voice saying "Power on." To power OFF, press the \[ ( \) button until you hear a voice saying "Power off."

NOTE: If the headphones are not connected to a device for 10 minutes, the headphones will automatically shut off to conserve battery power.

Adjusting the volume:
- Quick press the \[ + \] button to increase the volume.
- Quick press the \[ - \] button to decrease the volume.

Answering/ending a call:
- To answer a call, quick press the \[ ( \) button.
- To end a call, quick press the \[ ( \) button again.

Redialing the last number called:
In standby, double press the \[ ( \) button. The last number called will be redialed.

Transferring a call between phone & headphones:
Press the \[ + \] button for 2 seconds to transfer the call back to the headphones.

Call waiting:
If there is an incoming call while a call is in progress, quick press the \[ ( \) button to accept the waiting call and end the current call.
If there is an incoming call while a call is in progress, long press the \[ ( \) button for 2 seconds to accept the incoming call and place the current call on hold.

Mute:
While a call is in progress, long press the \[ - \] button for 2 seconds. While it is in mute mode, a voice saying "mute on" will be heard every 10 seconds. To cancel mute mode, long press the \[ - \] button again.

Playing music:
To enjoy wireless music on your Bluetooth headphones, make sure you are connected to a Bluetooth enabled device. Once connected, you can control the music and volume on the headphones on your connected device (which must have the AAC/MP3 Bluetooth profile).

Play/pause:
Quick press the \[ ( \) button to play/pause music.

Skipping tracks:
- Quick press the \[ + \] button to skip to the next track.
- Quick press the \[ - \] button to skip to the previous track.

Adjusting the volume:
- Quick press the \[ + \] button to increase the volume.
- Quick press the \[ - \] button to decrease the volume.

Troubleshooting tips:
1. Make sure your Bluetooth device supports A2DP profile.
2. Turn up the volume on your Bluetooth device.
3. You may have to re-pair the headphones, then re-pair to your device.

On your PC:
1. Long press the \[ ( \) button for 5 seconds to turn the headphones ON and enter pairing mode.
2. A voice saying "Pairing" will be heard, indicating that the headphones are in pairing mode. The LED Indicator light will alternately blink RED and BLUE.
3. Check that the headphones are charged.

On your TV:
1. Make sure the Bluetooth Headphones are turned ON in order to begin the pairing process.
2. Keep your Bluetooth Headphones and Bluetooth enabled device within 3 feet of each other during the pairing process.
3. Check that YOUR device's Bluetooth feature is turned ON.
4. Try repeating the pairing process, see "Pairing the headphones with a Bluetooth enabled device."
