Quick Start Guide
Model: PMID820

Micro SD card
Inserting a Micro SD card
The tablet supports Micro SD cards up to 32GB in size. To insert a Micro SD card, place the card into the slot as shown in the image.

Downloading apps
Downloading apps & other app stores
The tablet includes a few pre-installed apps. However, for more options, you may download additional apps from the Google Play store. To download apps, follow these steps:
1. Open the Settings app.
2. Tap on "Apps & notification".
3. Tap on "Download Apps".
4. Select the app store you want to download from (e.g., Google Play).
5. Follow the on-screen instructions to download and install the apps.

Connecting to Wi-Fi
Setting up Wi-Fi
To connect to a Wi-Fi network, follow these steps:
1. Go to the home screen and tap the Wi-Fi icon in the status bar.
2. Tap on the Wi-Fi network you want to connect to.
3. Enter the password if required and tap "Connect".
