- User Guide

Care & safety precautions

- Do not use household cleaners, solvents, alcohol, or abrasives to clean the tablet.
- Avoid getting moisture in open ports.
- Use a soft, lint-free cloth to clean the tablet and display.
- Unplug all cables and turn off the tablet before cleaning.
- In case the tablet gets wet, unplug all cables and turn off the tablet.
- Avoid spilling any liquid on the tablet.
- Do not use the tablet in rain or other wet locations.
- Never attempt to disassemble, repair or modify the tablet yourself.
- New batteries or batteries stored for a long time may take more time to charge.
- New batteries are not fully charged.
- During charging, keep your device and charger near room temperature for efficient battery charging.

Battery Tips:

- It is recommended to keep the brightness level at 50% or under if the tablet is in use.
- Lock the tablet (turning the display off) to shorten charging time.
- Turn off Wi-Fi when it's not in use.
- To optimize battery time and performance, adjust the "Brightness" and "Screen timeout" options in the Settings panel.

Buttons, ports & hardware

Turning on

Press and hold the Power button to get started.

Power ON / OFF & Reset

- Press & hold the Power button until the startup screen appears.
- To reset the tablet, take a metal pin (such as a paper clip) and press it against the recessed reset button on the side of the tablet. Your tablet will restart.
- If the tablet malfunctions or freezes, you can use the reset button to restart it.

Mint pin

Reset button

Lock screen

Unlocking the tablet

- If a Lock screen displays, touch the Lock screen to unlock it.
- Press & hold to display the Settings menu.
- Swipe down from the top of the screen to display the notifications panel.
- Touch and hold a widget to change its position.
- Swipe up to see the home screen.
- To lock the tablet (standby), press the Power button.

Unlocking with Pogo pins

- If you have set up a PIN or passcode, the Pogo pins will flash to prompt you to unlock the device.
